PROCEDURES FOR MAKING ALTERATIONS TO APARTMENTS

If you wish to make any alterations to your apartment, or install any new equipment, you must have written permission from the Board of Directors before beginning. You should provide the following information and forms to the Managing Agent who will forward same to the Board:

- (1) A signed copy of the Apartment Renovation Application (attached).
- (2) A written statement from your contractor detailing the proposed work to be performed in the premises, as well as indicating the manner, design and scope of the alteration and/or renovation, including his/her license number.
- (3) Copies of all contractors' Certificates of Insurance naming both **Scarsdale County Estates Owners, Inc. and Garthchester Realty, as additional insureds.**
- (4) Copies of any and all Town of Greenburgh building permits as required by law.
- (5) Copies of licenses for any and all plumbers or electricians who will be doing work in your apartment.

Please read the Apartment Renovation Application carefully, as it outlines your responsibilities in detail.

Please submit these materials well in advance of the beginning of your proposed work, since the Board of Directors meets only once each month.

After considering your request, the Board will either return the approved agreement to you, provide a reason for denying your request, or request further information or documentation.

The Board considers all requests carefully since alterations to apartments affect the value and condition of the property as a whole.

No work may be undertaken until you have received the signed agreement back from the Board of Directors.

APARTMENT RENOVATION APPLICATION

Shareholder: _____

Bldg.: _____

Apt.: _____

Pursuant to Paragraph 21 of my Proprietary Lease, I hereby request permission to install the equipment and make alterations described in the annexed document (hereafter collectively referred to as the "work") in the above specified apartment.

If permission is granted:

1. I agree, before any work is begun:
 - (a) To provide a written statement detailing the specific work to be performed in the premises, as well as indicating the manner, design and scope of the alteration and/or renovation and a copy of every agreement made with contractors and suppliers.
 - (b) If required by law or Governmental regulations, to file plans with and procure the approval of all Governmental Agencies having jurisdiction over the work and, not more than ten (10) days after receipt of such approval, to deliver to you a copy of every permit or certification issued. If there be any doubt as to the need for such approval, you shall be the sole arbiter in resolving the doubt.
 - (c) To procure from my contractor or contractors:
 - (i) Comprehensive personal liability and property damage insurance policies, satisfactory to the Board of Directors, which policies name the Cooperative Corporation and the Managing Agent, as well as myself, as parties insured. Such policies shall provide that they may not be terminated until at least ten (10) days after written notice to you; and
 - (ii) Workers Compensation and Employees Liability insurance policies, covering all employees of the contractor, contractors or sub-contractors.

All such policies, or certificates evidencing their insurance, shall be delivered to you.

2. If the Cooperative Corporation is required to or shall deem it wise to seek legal, engineering or architectural advice prior to granting permission, I agree to reimburse you, on demand, for reasonable fees incurred, and if permission be granted, then, in any event, prior to commencement of any work.

3. It is understood that:

- (a) I assume all risks of damage to the building and its mechanical systems, and to persons and property in the building which may result from or be attributable to the work being performed hereunder and all responsibility for the maintenance and repair of any alterations and installations after completion. This responsibility covers all work, whether or not structural, weathertightness of windows, exterior walls or roofs, waterproofing of every part of the building directly or indirectly affected by the work, and maintenance of all heating, plumbing, air conditioning and other equipment installed or altered pursuant hereto. If the operation of the building, or any of its equipment, is adversely affected by the work, I shall, when so advised, promptly remove the cause of the problem.
- (b) I recognize that there will be no change in the operation of the building's heating system (or air conditioning system, if any) to facilitate the functioning of any heating or air conditioning units I may be installing.
- (c) The alterations and materials used shall be of the quality and style in keeping with the general character of the building. The Board of Directors has the right to approve same and to compel removal of same should it not meet the Board's criteria and/or creates a risk of loss or constitutes a dangerous, hazardous or unsafe condition.
- (d) I undertake to indemnify the Cooperative Corporation, the Managing Agent and tenants or occupants of the building for any damages suffered to person or property as a result of the work performed hereunder, whether or not caused by negligence, and to reimburse the Cooperative Corporation or the Managing Agent fro any expenses (including, without limitation, attorneys' fees and disbursements) incurred as a result of the such work.
- (e) If, after making any alterations or installing any equipment referred to herein, I shall:
 - (i) seek to exercise my right to terminate my Proprietary Lease pursuant to Paragraph 35 thereof, I will, on your demand, but at my expense, restore the premises and equipment to their condition prior hereto, agreeing that compliance with this agreement shall be a condition precedent to the cancellation of my lease, or
 - (ii) seek to transfer the corporate shares allocated to the apartment and the Proprietary Lease appurtenant thereto, I will, if requested by you, either restore the premises and equipment to their condition prior hereto or provide you with an agreement by my transferee to assume all of my obligations hereunder, including my continuing obligations and understanding expressed in Sub-Paragraphs (a) through (d) of this Paragraph 3.

4. All permitted work shall be completed within ninety (90) days after Governmental approval thereof has been granted or, if no such approval is required by law or regulations, then from the date hereof.
5. No work shall be done, except between the hours of 8:30 AM and 5:00 PM from Monday through Friday, and between the hours of 10:00 AM and 5:00 PM on Saturday. No work is permitted on Sunday. All work will be done in such a manner as to minimize any unusual noises which might disturb other residents.
6. All precautions must be taken to prevent dirt and dust from permeating other parts of the building during the progress of the alteration. Materials and rubbish will be placed securely and neatly in barrels or bags before being taken out of the apartment. All such barrels and bags, rubbish, discarded equipment and/or appliances, empty packing cartons and other materials will be taken out of the building and removed from the premises at my expense with arrangements being made by my contractor(s). I shall be strictly responsible to make sure that, upon completion of work, the premises will be free from dirt, implements, surplus materials and the like, and that the common areas will be left in the status it was in prior to the start of said work.
7. I will bear the entire cost of alterations and installations and pay all bills incurred in connection therewith, not later than thirty (30) days after completion of work. If any mechanic's liens are filed for work claimed to have been done or materials alleged to have been supplied, I shall cause such liens to be discharged within thirty (30) days after such filing whether or not I am ultimately responsible or liable for payment of same. If I fail to do so, you may exercise any and all rights and remedies under the Proprietary Lease or this Agreement.
8. At the completion of the work, I will deliver to you an amended Certificate of Occupancy and a Certificate of the Board of Fire Underwriters, if either should be required, and such other proof as may be necessary to indicate all work has been done in accordance with all applicable laws, ordinances and Government regulations. Failure to obtain same, when requested to by the Board of Directors, will result in my having to remove the alterations and restore the property to its original condition.
9. I recognize that by granting consent to this work, you do not profess to express any opinion as to the design, feasibility or efficiency of the work.
10. My failure to comply with any of the provisions hereof shall be deemed a breach of the provisions of the Proprietary Lease, pursuant to which your consent has been granted, and, in addition to all other rights, you may also suspend all work and prevent workmen from entering my apartment for any purpose other than to remove their tools or equipment.
11. This agreement may not be changed orally. This agreement shall be binding on the Cooperative Corporation, me, and our personal representatives and authorized agents.

12. Any and all plumbers or electricians utilized will be licensed to practice their profession, and approved by the Town of Greenburgh Building Department, and copies of their licenses will be supplied with this Agreement.

Annexed hereto is the written statement describing the work required by Paragraph 1 (a).
